On behalf of the Applicant, I herewith request a continuance of the hearing in the above scheduled for Monday, January 26, 2009. The Applicant would request additional time to address questions raised by the hearing examiner. A continuance would give the Applicant time to provide the information requested to the ORS for its review prior to submitting it to the Hearing Examiner. The ORS consents to the continuance request. As always, I appreciate the courtesies shown my client and me in this matter.
